

CORDUROY'S

• SEASONS •

Autumn leaves,
Gold and red.
Winter chill
Is just ahead!

Swirling, whirling,
Falling snow.

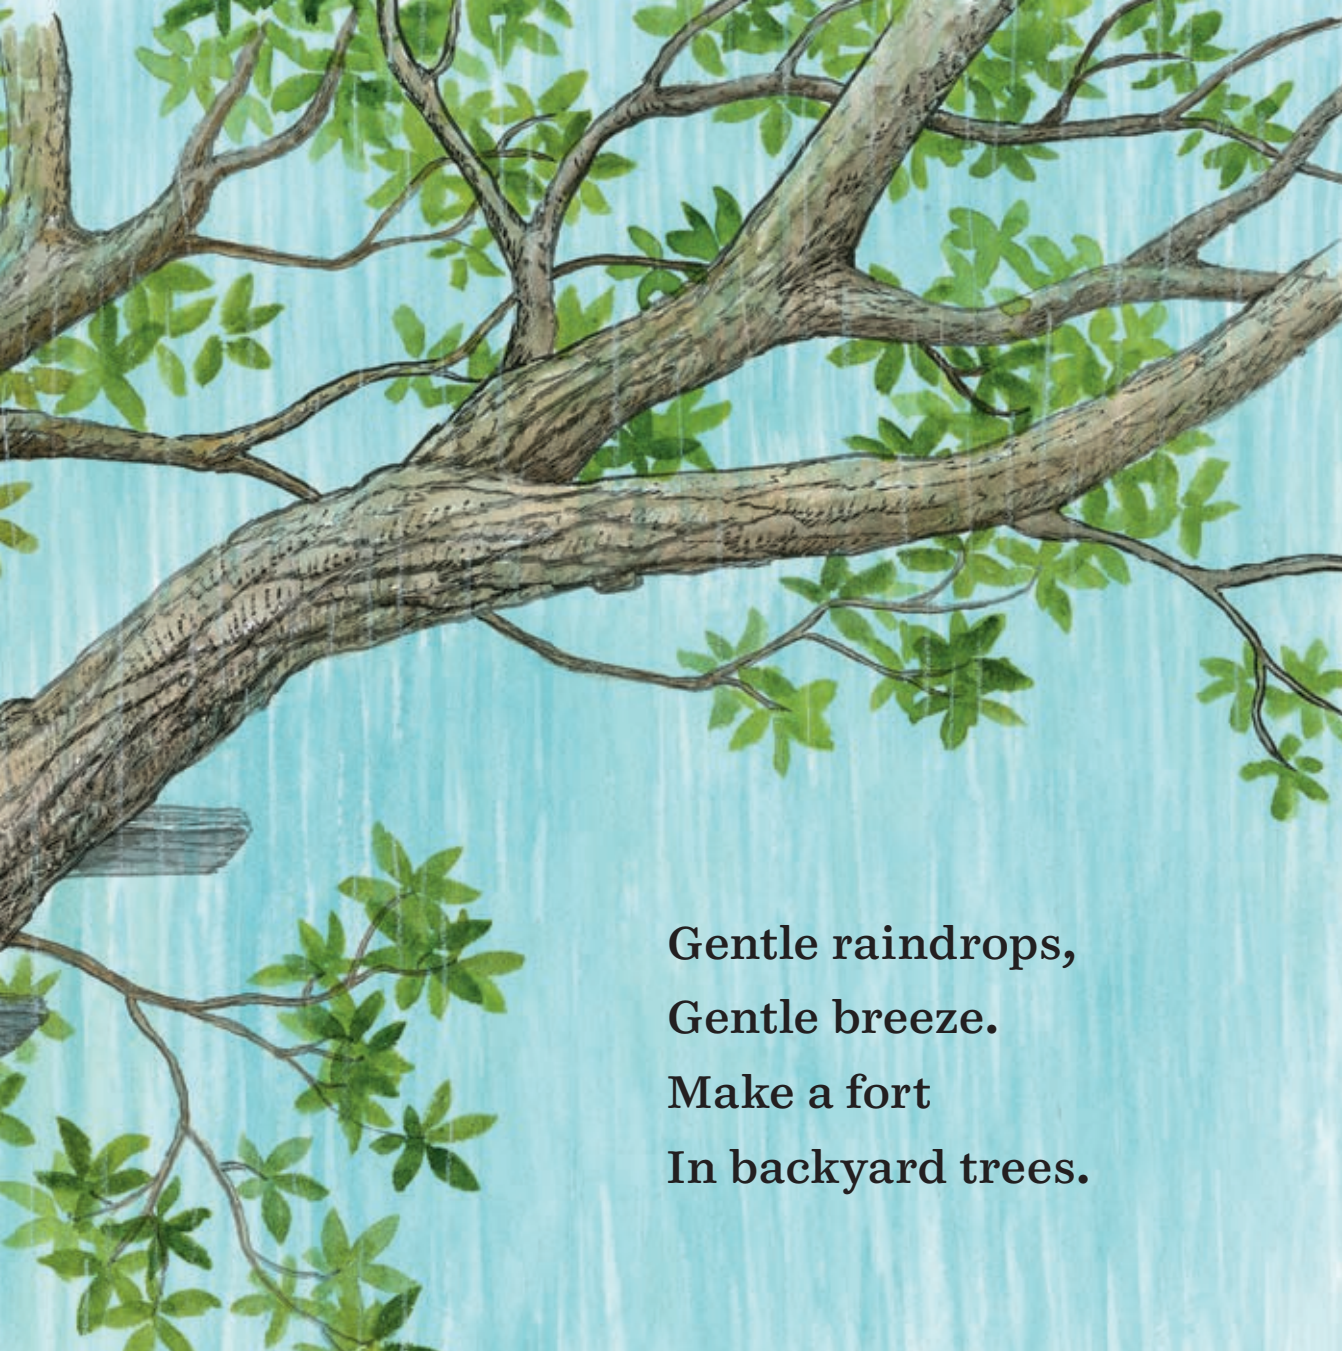

Make an angel,
Cheeks aglow.

Birds build nests.
Buds appear.
Plants wake up.
Spring is here!

Gentle raindrops,
Gentle breeze.
Make a fort
In backyard trees.

Summer sunshine,
Blue sky day.

Jump in, Corduroy,
Time to play!
